DETAILED ACTION

Allowable Subject Matter

1. Claims 1-9 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or fairly suggest that each of the set of orthogonal complex codes, the optimum real code, and the spreading code being associated with each of the others and each of the set of orthogonal complex codes, the optimum real code, and the spreading code being related to a value n , the value n being an integer and being the same for each of the codes, the value n being related to a code length for each of the set of orthogonal complex codes, the optimum real code, and the spreading code and selecting a code length for the set of orthogonal complex codes that is greater than a code length of the associated optimum real code and less than or equal to a code length of the associated spreading code, as specified in independent claims 1, 5, and 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
